

Departmental Forum

Date: 23 May 2016

Idea: Question-Answering site like Quora, Stackoverflow for students to solve queries related to any academics.

Functionalities: Signup, Sign In, Select Course, See all questions of course, see all answers of question and give answer to question.

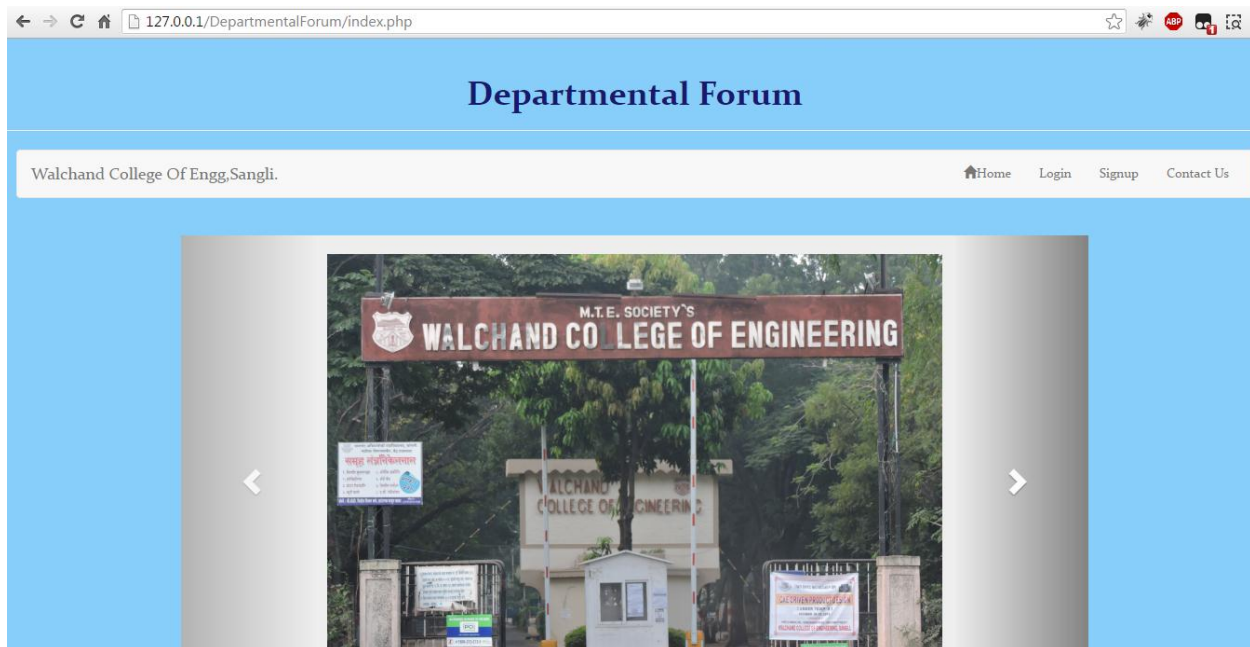

Languages: PHP, HTML, CSS

Framework: Bootstrap

Here I used WAMP.

Flow:

1. Home page

2. Portfolio showing all images of department and college. Register using signup link in navbar.

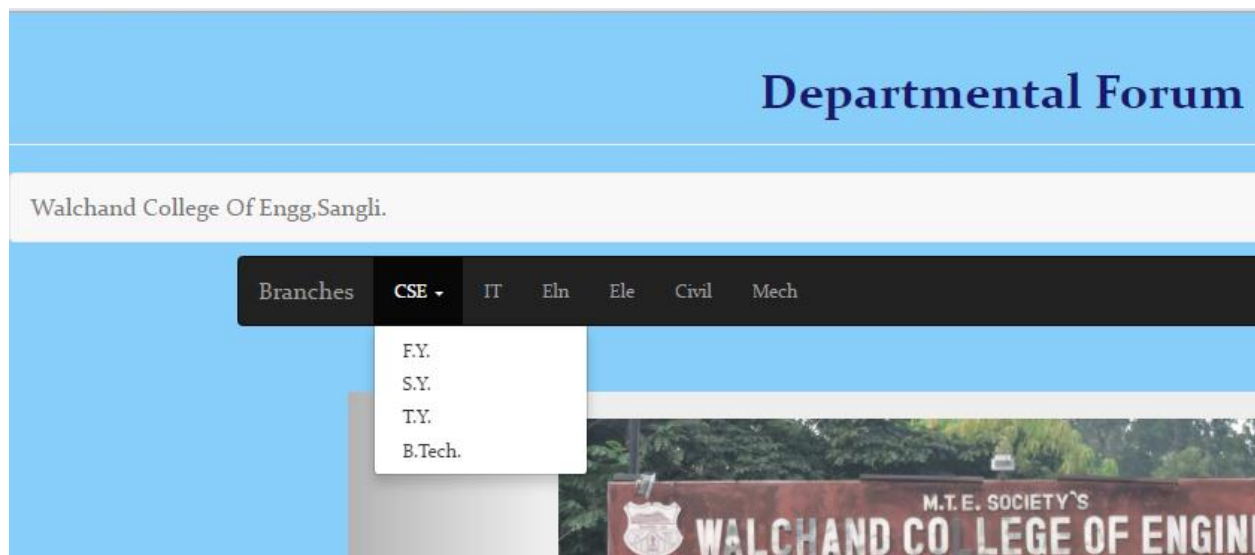

Departmental Forum

Date: 23 May 2016

The screenshot shows the 'Registration Form' page of the 'Departmental Forum'. The page has a blue header with the title 'Departmental Forum'. Below the header is a navigation bar with the text 'Walchand College Of Engg,Sangli.' on the left and links for 'Home', 'Login', 'Signup', and 'Contact Us' on the right. The main content area is a light gray box with the title 'Registration Form' in blue. It contains several input fields: 'Full name:' with a text box labeled 'Full Name', 'Mobile Number:' with a text box labeled 'Mobile Number', 'Email ID:' with a text box labeled 'Email ID', 'Branch:' with a text box labeled 'Branch', and 'Year:' with a text box labeled 'Year'.

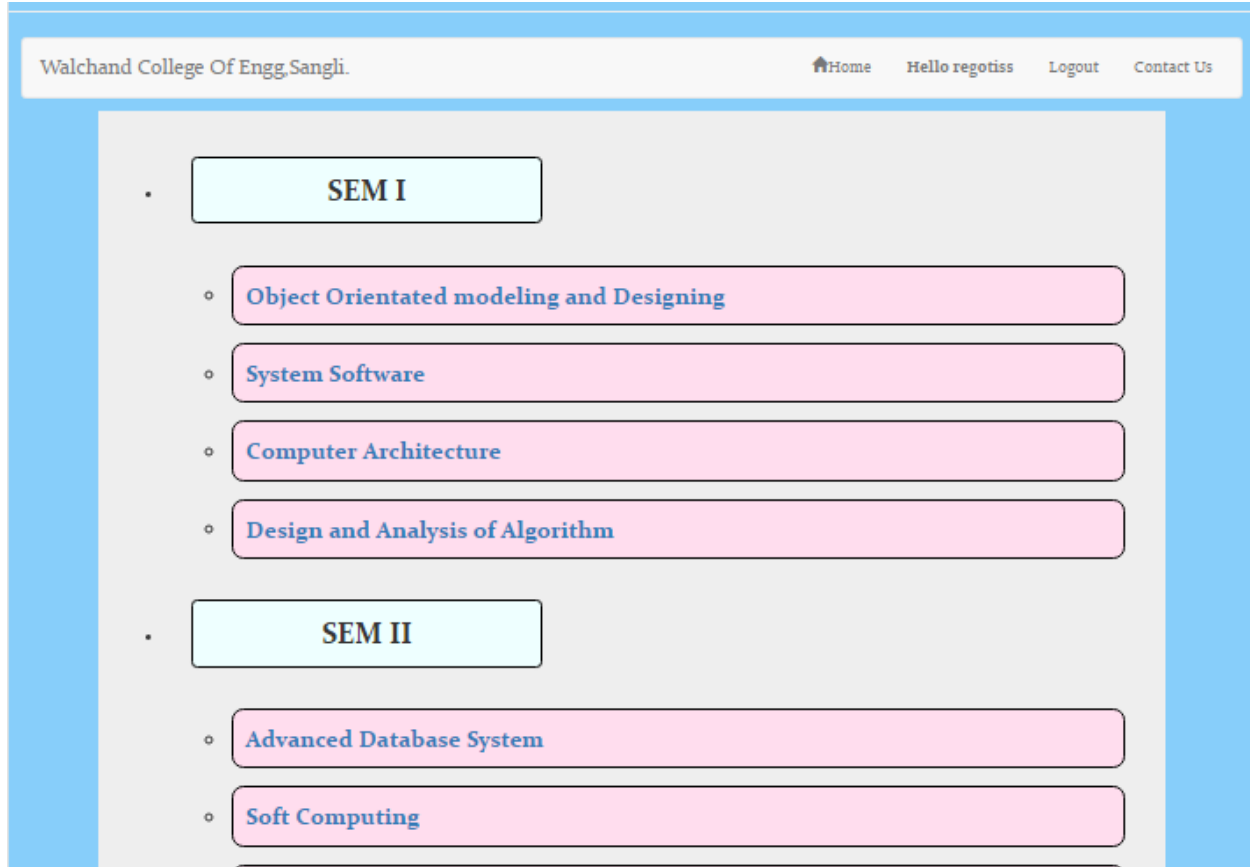

3. After Sign Up :

4. After selecting TY
